ABSTRACT (All Capital Letters, Times New Roman, Font size 12, Bold)

Write a concise and comprehensive abstract that clearly summarizes the purpose, methodology, key findings, and significance of the study. The abstract should be self-contained and provide readers with a clear overview of the research. (Times New Roman, Font size 10, Normal, single line spacing)

Keywords: keyword1; keyword2; keyword3; keyword4; keyword5

(3–6 keywords, lowercase, placed immediately after the abstract)

INTRODUCTION (All Capital Letters, Times New Roman, Font size 12, Bold)

Introduce the research topic and explain its significance. Clearly state the research problem or question, objectives of the study, and provide relevant background information. (Times New Roman, Font size 11, Normal, single line spacing)

1st SUBHEADING (If Any) (All Capital Letters, Times New Roman, Font size 12, Normal, Bold)

2nd SUBHEADING (If Any) (All Capital Letters, Times New Roman, Font size 12, Italic, Bold)

3rd SUBHEADING (If Any) (All Capital Letters, Times New Roman, Font size 12, Italic & Underline, Bold)

Subheadings in the manuscript should be written in Times New Roman, 11-point font size, and bold style. They should be aligned to the left margin and written in title case (capitalize the first letter of major words). (Times New Roman, Font size 11, Normal, single line spacing)

LITERATURE REVIEW (All Capital Letters, Times New Roman, Font size 12, Bold)

Present a critical review of relevant literature related to the study. Highlight key theories, concepts, and previous research findings. Identify research gaps that justify the present study. (Times New Roman, Font size 11, Normal, single line spacing)

RESEARCH QUESTIONS (If Any): (All Capital Letters, Times New Roman, Font size 12, Bold)

OBJECTIVE OF THE STUDY: (All Capital Letters, Times New Roman, Font size 12, Bold)

HYPOTHESIS: (All Capital Letters, Times New Roman, Font size 12, Bold)

METHODOLOGY (All Capital Letters, Times New Roman, Font size 12, Bold)

Describe the research design, data sources, sample/participants, tools or instruments used, and procedures for data collection. Explain the methods of data analysis employed. (Times New Roman, **Font size 11**, Normal, single line spacing)

RESULTS (All Capital Letters, Times New Roman, Font size 12, Bold)

Present the findings of the study in a clear and systematic manner. Use tables and figures where necessary. Ensure that all tables and figures are properly numbered and titled.

DISCUSSION (All Capital Letters, Times New Roman, Font size 12, Bold)

Interpret the results in relation to the research objectives and existing literature. Discuss the implications of the findings and explain how they contribute to the field of study.

CONCLUSION (All Capital Letters, Times New Roman, Font size 12, Bold)

Summarize the major findings of the study. Restate the significance of the research and suggest practical implications, limitations, and directions for future research.

ACKNOWLEDGEMENT (*if any*) (All Capital Letters, Times New Roman, Font size 12, Bold)

Acknowledge individuals, institutions, or funding agencies that supported the research.

REFERENCES (All Capital Letters, Times New Roman, Font size 12, Bold)

References must be in Times New Roman, **Font size 11**, Normal, single line spacing.

List all sources cited in the manuscript, formatted according to **APA Style (7th Edition)**.

The standard pattern of APA (7th Edition) style:

Author, A. A. (Year). Title of the article. *Journal Name*, *Volume* (Issue), page range.
<https://doi.org/xxxxx>

- *By following the above template and guidelines, authors can ensure that their manuscript is properly formatted and ready for submission.*
- *Subheadings may vary depending on the nature/type of researches.*

APA Style (7th Edition) – Sample Reference Templates

1. Journal Article

Format:

Author, A. A., & Author, B. B. (Year). Title of the article. *Title of the Journal*, Volume(Issue), page range. <https://doi.org/xxxxx>
