- Best Teachers training college in West Bengal
- Respected professors are very much knowledgeable and helpful. They always help us to choose right career till now. The infrastructure of the college and hostel is very much updated. Thanks to Reverend Principal Maharaj and Respected Professors for not only teaching us how to be a good teacher but also they helped us to understand the ideology of Thakur Sri Ramakrishna dev, Maa Sarada and Swami Vivekananda and also helped us to choose right path in our life.
